Separatists, Conformists or Transformists?

Worldview	Fragmented/ Dualistic	Connected/ Holistic
Relationship of Christianity to Culture	In Opposition	Integrated
Motto	Some things are spiritual.	All things are spiritual.
Concept of belief and action	What I believe can be different from what I do.	What I believe is defined by what I do.
Concept of Categories	For Christians there are two categories: Sacred / Secular	For Christians there is only one category: Sacred
Concept of Priesthood	Professional ministers	Priesthood of all believers
Concept of Prayer	Material is bad and immaterial is good. Our prayers sanctify the material	All things, material and immaterial, can be good. Our prayers bless the God who grants us the material.
