Now, this is how Godsfield honors God in our field:

Every hosting congregation assigns one person to bring greetings to each of the other hosting congregations on their nights, and each hosting congregation allows a time of greetings for those representatives to come forward and off a blessing to the hosts. Let each of us therefore pray for each other of us in that way.

Every other congregation, challenge your fellowship to have a representative at each evening, and you come forward and do the same.

Challenge yourselves to go to a congregation you've not visited yet, especially if they are in a different corner of the kingdom from how you are accustomed, and watch God's joy shower all who are in attendance.

Challenge yourselves to be at each service — there are only eight, and while no one is taking attendance, you will be dancing for joy by the end; you'll know you're part of something much bigger than yourself and your fellowship — you are the Kingdom of God!

Mark your calendars.

Love ya, Paul
